Re: Commencement Bay Nearshore/Tideflats Superfund Site, Tacoma, Washington
Thea Foss and Wheeler Osgood Waterways

Dear Mr. Kilbane:

This letter is to confirm EPA's receipt and acceptance of your letter requesting an extension for submitting your response to EPA's 104(e) request for information letter regarding the Thea Foss and Wheeler Osgood Waterways. Your response will now be due on April 4, 1997. If you have any questions concerning this letter, please contact Ken Marcy, PRP Search Coordinator for the Thea Foss and Wheeler Osgood Waterways, at (206) 553-2782.

Sincerely,

A handwritten signature in black ink, appearing to read "Ken Marcy".
